Highlights

2018-19 has been a year of strong growth for Friends of Femili PNG, with expansion of our fundraising and events, development support for Femili PNG, and branching out to support other projects in PNG. Highlights have included:

- The successful Trek to Protect fundraising initiative where a group of women from Australia and PNG trekked the Kokoda track to raise funds for Femili PNG.
- We provided development support to Femili PNG in the form of governance and reporting assistance, financial guidance, and communications support.
- We mobilised resources and technical expertise such as IT support and developing a digital data collection platform for Femili PNG.
- We coordinated various fundraising events in Canberra including a screening of Power Meri, a jazz recital and again fielded a team in the Australian Running Festival.
- We strengthened the governance of Friends of Femili PNG to comply with the ACFID Code of Conduct, and extended this support to our colleagues at Femili PNG.

Throughout 2018-19, Friends of Femili PNG further engaged with the Australian community to represent the valuable work of Femili PNG in assisting survivors of violence in Lae and Port Moresby.

About Us

Friends of Femili PNG is the Australian support organisation for Femili PNG, based in Canberra, Australia. Friends of Femili PNG has three objectives:

1. To support and promote the work of Femili PNG to assist survivors of family and sexual violence in Papua New Guinea to access the services they need.
2. To raise awareness on family and sexual violence in Papua New Guinea, and on what Papua New Guinean institutions and individuals are doing to respond to that challenge.
3. To apply all profits and income of the association towards activities that support the survivors of family and sexual violence in Papua New Guinea and improve their access to services.

Friends of Femili PNG shares the same values and organisational principles as Femili PNG. These are available on our website: www.femilipng.org
Development support to Femili PNG

Friends of Femili PNG provides technical assistance and mobilises resources in Australia to support the important work of Femili PNG in assisting survivors of family and sexual violence.

In 2018-19, Friends of Femili PNG provided financial support and technical assistance to Femili PNG, including:

- to the FSV case management centre (CMC) in Lae;
- in awareness-raising, communications and outreach activities;
- in financial management; and
- the establishment of the Bel isi programme CMC and safe house in Port Moresby.

More specifically, this support and technical assistance has included:

- Assisting Femili PNG’s executive management with compliance and reporting such as monitoring & evaluation, progress reporting to donors and partners, Board management, policy development and financial reporting.
- Ongoing ICT assistance to Femili PNG offices in Lae and Port Moresby provided by an Australian volunteer.
- Working with Femili PNG Information Officers to establish an online data platform to better collect and report on client data.
- Identify funding, potential partnerships and development opportunities for Femili PNG.
- Working together with Femili PNG’s Communications and Fundraising Officer on social media, communications, marketing and fundraising.

To find out more about Femili PNG’s achievements, challenges and lessons learned, see the 2018-19 Femili PNG Annual Report on the Femili PNG website.

Other projects in PNG

While supporting Femili PNG is the main objective of Friends of Femili PNG, we also provided financial support for other projects in PNG in line with our objectives.

This included supporting the Bel isi PNG Initiative fundraising efforts to better resource safe houses in Port Moresby, and managing a donated contribution towards an Oil Search Foundation project to construct a new emergency ward at Hela Hospital.

Fundraising and Events

2018-19 saw an increase in the number of fundraising events run by Friends of Femili PNG, volunteers, partners and supporters. We remain grateful for their support. Some of our fundraising events included:

- Zonta Club of Canberra trivia night fundraiser on 13 July 2018, raising $4,000.
- Dinner Dance hosted by PNG community in Canberra on 25 August 2018, raising $1,798.
- Kokoda Trek to Protect in September and October 2018, raising $36,372.
- Latin and Jazz recital in Canberra on 17 October 2018, raising $978.
- A screening of Power Meri in Canberra on 14 November 2018, raising $1,643.
- Fielding a team at the Australian Running Festival in Canberra on 13-14 April 2019, raising $29,152.
- 1920s Prohibition-themed screening of Power Meri in Sydney on 7 June 2019, raising $3,819.51.
Trek to Protect

Nine Papua New Guinean and Australian women trekked the Kokoda track in September and October 2018 to raise funds for Femili PNG.

The first team of seven completed the gruelling 96 kilometre trek over nine days from 4-12 September 2018. They then travelled to Lae to visit the Femili PNG CMC which supports women, children and men who are survivors of intimate partner violence, sexual assault and child abuse. The second team of two women completed the walk from 1-8 October 2018.

The team was supported by many high-profile Australians, with donations received from 2015 Australian of the Year Rosie Batty and former Ambassador for Women and Girls Natasha Stott Despoja. In PNG, Trukai Industries Ltd supported the team by donating water bottles and t-shirts. Trukai has been supporting Femili PNG for the past three years by donating rice to support women and children in Lae who have fled violent situations.

Femili PNG’s Lae Operations Director Denga Ilave said: “Femili PNG’s success is due to the partnership between Australians and Papua New Guineans. It’s wonderful to see these nine women from the two countries come together to raise funds so that Femili PNG can assist more survivors”.

The #Trek2Protect2018 team members were from Port Moresby, Melbourne, Ballarat, Sydney and Canberra and collectively raised $36,372.

**Australian Running Festival**

The Australian Running Festival was held in Canberra on 13 and 14 April 2019. As one of our main fundraising events for the year, Femili PNG fielded a team of 16 runners across the 5km, 10km, marathon and half-marathon events.

A record amount of $29,152 was raised which will go to support our programs in PNG.

**Bilum Shop**

Throughout 2018-19, we continued to operate our bilum shop as one of our fundraising initiatives. A bilum is a traditional Papua New Guinean bag, handmade using a unique twisting and weaving technique. Making bilums is an important source of income for some Papua New Guinean women, including many of Femili PNG’s clients. In 2018-19, Friends of Femili PNG made over $900 through selling these beautiful pieces of work.

Financial Statements

Friends of Femili PNG’s 2018-19 accounts were audited and the full audit report is overleaf. Our financial statements comply with the presentation and disclosure requirements of the ACFID Code of Conduct. For further information on these requirements, refer www.acfid.asn.au

In 2018-19, Friends of Femili PNG had a total revenue of $338,582 which was slightly down from last year’s total of $346,759.

Monetary donations and gifts were considerably higher than in 2017-18, due to a substantial donation received from an individual and earmarked for a project in Hela Province. In 2017-18, additional grants were received to support the Bel isi PNG Initiative’s work with safe houses. Income from commercial activities income mostly comprise receipts from our sales of bilums. Non-monetary donations and gifts is mostly made up of our volunteers and receipt of pro bono services, consistent with DFAT RDE rates.

In 2018-19, Friends of Femili PNG expended $438,382 on International Aid and Development Programs, which represented a 100% increase on 2017-18. This significant increase was mostly due to Friends of Femili PNG providing financial and fundraising support to the Bel isi PNG Initiative and the construction project at Hela hospital, in addition to our usual support of Femili PNG.

Deferred Revenue
Grants are recognised as revenue in the year received or receivable to the extent of expenditure during the year for the purpose of the grant. Grant monies that have been received or are receivable but have not been expended at balance date are recognised as Unexpended grants in Deferred Revenue.

NOTE 2. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS
The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.
NOTE 2. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS (CONTINUED)

Employee benefits provision

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Key judgement – Deferral of revenue and revenue recognition

Grants are recognised as revenue in the year received or receivable to the extent of expenditure during the year for the purpose of the grant. Grant monies that have been received or are receivable but have not been expended at balance date, including interest thereon where required under the terms of the grant, are recognised as Unexpended grants in Deferred Revenue.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The incorporated association assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the incorporated association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.
